### Care instruction for Fabric furniture.

In order to maintain the original appearance of your Fabric furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage fabrics. Do not place your upholstered furniture too close to windows, radiators, or vents, and be sure to use windows, radiators, or vents.
- Vacuum or wipe with a cloth regularly to remove dust.
- Clean Fabric furniture with professional cleanser.

For items use on wooden floor, hard surfaces or carpets, it is recommended to Install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
