CARE INSTRUCTION FOR FABRIC FURNITURE:

In order to maintain the original appearance of your Fabric furniture, please follow below care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage Fabric. Do not place your upholstered furniture too close to windows, radiators, or vents, and be sure to use window treatments to block the sun's rays.

- Vacuum or wipe with a soft brush to remove dust.
- Clean Fabric with professional cleaner.

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.

COMPLETED!
