Care instruction for 100% polyester upholstery furniture.

In order to maintain the original appearance of your 100% polyester furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage fabrics.
- Vacuum or wipe with a cloth regularly to remove dust.

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
