Care Instruction for Bonded Leather Match Furniture.

In order to preserve the original appearance of your bonded leather match furniture, please follow below simple care procedures:

- . Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage bonded leather match furniture. Do not place your bonded leather match furniture too close to windows, radiators, or vents, and be sure to use window treatments to block the sun's rays.

- . Vacuum or wipe with a soft brush to remove dust.
