Care instruction for textured plush microfiber Furniture:

In order to maintain the original appearance of your textured plush microfiber furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and or exposure to heating and air conditioning outlets will fade/damage textured plush microfiber.
- Vacuum or wipe with a soft cloth to remove dust.

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
