Care Instruction for polyester Furniture.

In order to maintain the original appearance of your polyester furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage polyester. Do not place your polyester furniture too close to windows, radiators, or vents.
- Vacuum or wipe with a soft brush to remove dust.
- Clean polyester with professional cleanser.

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.

Warning

Do not allow electrical cord to be pinched between moving parts or between the frame and the floor. Do not place cord under carpet or in location where it could become worn.
